

# **Eagle Barn Packages**

**KANSAS, NEW MEXICO** 

## **STANDARD FEATURES** Rated for 35PSF-140MPH (3 second gusts, not sustained)

Standard Eagle Barn features include the following: 14 gauge galvanized steel framing, 29 gauge metal roofing with 20 year Beckers paint system, framing spaced 5' on center. Eagle Barn packages include both peak and leg bracing for additional strength and stability. Packages also include gable ends on both front and back of barn, on both center section and lean-tos. Concrete Anchors or Rebar Anchors, and Earth Auger Anchors are included in base price. Eagle Carports, Inc. is not responsible for stopping, or repairing leaks under base rails. Base leg heights are 11'& 8' tall. Please note: Eagle Carports, Inc. does not provide site work. Customers are required to contact local building/zoning departments about codes for permitting purposes before order finalization.
